PROGRAM

Interior architecture and design for a 247 unit, 14-story residential high-rise building.

DESCRIPTION

This new 247 unit, 14-story residential high-rise building was a full service interior architectural design project. WDG was responsible for the design and documentation for all amenity areas and public areas, including a clubroom, fitness center, and common corridors.

The units are spacious with light-filled floor plans and nine-foot ceilings. The Clubroom includes a lounge area, pool and shuffle board tables, Wii Gaming area and an internet harbor. The fitness center has state of the art fitness equipment, a climbing wall and yoga/stretching room.
