In Progress

SERVICES

Architecture, Planning

PROGRAM

Planning for over 25 million-sf of mixed-use development on 110+ acres.

DESCRIPTION

As Tysons, Virginia undergoes its metamorphosis from suburban chaos to exciting urban center, WDG is leading the way in re-imagining communities around all four of the new Tyson Metro stations. WDG is working with multiple clients, and continues to complete plans and approvals for mixed-use projects totaling in excess of 25 million square feet of development on over 110 acres.
